

Grade

5

Curriculum

1

**Introduction**

Welcome to Robotics

5

**Black Line Following Robot**

2

**Racing Car**

Motorised Mechanism

6

**Obstacle Avoiding Robot**

3

**Anti Collision Car**

in depth Electronics

7

**Well Water Pully**

Contactless Motorised

4

**Biped Rickshaw**

in depth Electronics

8

**L/R Following Robot**

in depth Electronics

Grade

5

Projects

9

**Bidirectional  
Sensored Elevator**

15

**Smart Hand Blender**  
Smart & Portable

10

**Checkpoint  
Assessment**

16

**White Line  
Following Robot**

11

**Hand show to Go/  
Reverse Robot**

17

**Sensored Table Fan**  
Sensor Controlled

12

**Hand to Seek**  
in depth Electronics

18

**Techfest**

13

**Edge Avoiding  
Sensored Robo**

19

**Assessment**  
Test Yourself

14

**Adv. Hand  
Following Robot**

20

**Certification**  
Get Certified

**1000+ More Projects**
