

1

Introduction

Welcome to Robotics

5

Launching Trebuchet

understanding Mechanics

2

Pulley Based Crane

understanding Mechanics

6

Water Tank Alarm

Using Electronics

3

Cranked Elevator

understanding Mechanics

7

Railway Barrier

understanding Mechanics

4

Alarm System

Automatic Intrusion A.S.

8

Power Hammer

understanding Mechanics

Grade 2 Projects

9

Powered Sled
understanding Mechanics

15

Finger Push Gripper
understanding Mechanics

10

Checkpoint
Assessment 

16

Parallel Gripper
understanding Mechanics

11

Finger Pull Gripper
understanding Mechanics

17

Preparation
For Tech Fest

12

Theft Alarm
Using Electronics

18

Techfest 

13

Ball Shooter
understanding Mechanics

19

Assessment
Test Yourself

14

Smart Table Lamp
in depth Electronics

20
